There is so many issues in our country and around the world that are emotionally disturbing. We need to be praying for guidance from God and for His will to be done. As Christians we are the ones who can speak peace and hope into the lives of those we come in contact with on a day to day basis; Lord, help us speak the LOVE OF Jesus in our conversations.

Living A New Life! Right Now!

My prayer is that we will discover a fresh and anew the incredible, life bringing power of Jesus Christ. Not just in theory. Not by intellect or mere head knowledge but by the work of the Holy Spirit

Resurrection life! For you and for me. Not someday when Christ returns, but today! Right now. Right here. In your heart and mine.

What a big prayer! What a huge expectation! But that's exactly what Jesus made possible for you and me. He died and rose again so that we could know beyond a shadow of a doubt that we are loved, that we are accepted, that we are fully and completely forgiven.

Jesus died so we can experience new life. He didn't allow himself to be stripped naked and beaten nearly to death so we could experience spiritual ecstasies now and then. He didn't go through the pain and humiliation of the cross so that we could sit in church Sunday after Sunday blandly singing about His sacrifice but never experiencing his resurrection power. He didn't go to hell and snatch the keys of death and the grave from Satan's icy grip just so we could write volumes of theological debate to fill shelves and make us wiser than the next guy.

Our Savior died and rose from the grave so that you and I could be born again. So that we could have a fresh start and a clean heart every single day of our lives. He did it all to prove his love. So that you and I could know that there is nothing - nothing absolutely nothing! - that can separate us from the love of God that is in Christ Jesus
