We Need Each Other.

I don't know what it is about us, but without my physical and spiritual families encouragement and their presence in my life there would be considerably less light and warmth. I see God's love in each one of you. If I know you or if I don't, If we're physically related or spiritually related, please know you're needed. We need your special presence in each others life. Speaking from experience, I know I do.

Paraphrased from The Messy Christian blog

Connect and Encourage:

Who can you encourage this week? Who has blessed you recently that you can thank? What verse can you share with them? How are we doing at staying connected? Share God's love by your actions and prayers.

Virtual Worship Services are on the back of bulletin.

We live in a time and place where we have the technology to connect virtually. This, too, is from the hand of God and we are blessed by this opportunity to connect and share with other brethren. Why not take advantage of the "Guest Speakers" visiting in our homes virtually.

A Report from House to House, Heart to Heart.

Last year, even in the midst of a pandemic, we have had more conversions reported than ever before in our existence. 370 baptisms were reported in 2020. People are looking for the truth! Look at the faces of some of those 370 people who made 2020 their best year ever.

Note: This is just one small part of God's world. Many are recognizing that this life is temporary. and eternity with Jesus is of much greater value and security than this present life.

Let's encourage each other.
Keep sharing the Good News of the Gospel.
God will give the increase!
