Christians Worldwide

Let us pray for those who are serving the Lord in some of the most difficult areas of the world. Pray the gospel of Jesus will spread even under persecution. Some parts of the world are facing severe persecution, even death , because they will not deny Christ. None of us have ever faced these kind of conditions. We need to be praying urgently for the gospel to move and for the missionaries needs to be met as they give their time and energy reaching into corners of the world where the love of Jesus is not known.

As members in Salmon Arm ,we need to be praying for the Lords guidance in our lives and looking for ways we can serve., by our lives lived well God is glorified!

Virtual Worship Services are on the back of bulletin.

Why not take advantage of learning from other brothers who are serving the Lord in different places in Canada and the United states? We live in a time and place where we have the technology to connect virtually. This, too, is from the hand of God and we are blessed by this opportunity to connect and worship with other brethren.

Larry Cole, Lori's daddy, went home peacefully in his sleep, at his home, on the April 14th. Lori says all are thankful for the quiet peaceful end to his life surrounded by family. Service is to be on Sunday 18th.She thanks God for all the prayers and the peaceful transition.

Cliff Plummer was taken to ER in Tennessee on Friday 16th with some kind of intestinal or stomach bleeding. One procedure was done with no answers. He has now swallowed a wee camera to take pictures of the small intestine. Will not be going home until it passes. Probably Monday is what they expect.

Let us pray diligently that Benny can go home to be with his wife and family.

⁵ And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.
