There are many in our relationships who are struggling with health issues. Pray for the Church, where ever they are to stay strong and faithful and to be an encouragement to those who are feeling lost and forgotten.

Special prayer

Dear God in Heaven. As we think of your Wonder and Majesty it amazes us that you care for us; that you actually want us to be in a very close relationship with you.

Such honor is ours to be loved by you, the Almighty Lord of all creation. Help us to live feeling this love and willing to acknowledge you to others. Help us to live proud and bold in you, Lord. Let us, like Paul, boast that you're our best friend, our Guide through life, our Saviour.

In Jesus precious name we come to you, Amen

News from Vernon. Curtis Kemp has Covid and is on the respiratory. Pray for all of those traveling as well as for peace and Curtis not to suffer. A very ill young man, last news he was not conscious.

Money sent for Bibles

The Church here in Salmon Arm have decide to respond to the plea for monies to buy Bibles for the African churches and the many workers who are struggling to have any Bibles in their congregations Each Bible costs \$5.00 Within the next month there will be 400 bibles delivered to a center where the missionaries can go to pick up for their congregations.

We are so thankful that we have been able to help in reaching those who are hungering for the Truth. Jesus said the fields were white onto harvest and the people are begging for bibles. We are thankful to those who are serving the Lord in difficult places

Which Is It...Crowning Glory or Mere Stardust ?

Perhaps the most insidious teaching coming out of our Marxist-leaning universities has been that we humans are mere “stardust.” Believing we are the product of “random chance & time” has led generations to lose their identity—resulting in the degradation of morality and in a loss of hope & purpose.

My wish is that we all might believe, instead, that we are the “crowning glory” of God’s creation—that we are “created in His image”—and that we are so much more than mere “molecules in motion.” Just imagine how different our relationships would be if we lived like we believe that we are a product of God’s greatest act of creation—and—if we understood that we are commissioned by Him to reflect His love to one-another.

He demonstrated His love for us, by sending Jesus—to redeem us from the insidious lie ... that we “mean nothing” and “are nothing.”
