Genesis Study If you are wondering why God allows sin, to continue and why he does not stop all sadness and pain. Join us as we study the Origin of Sin beginning with Genesis. We are watching a series by Bob Russel where he goes in depth into the way Satan tested, tempted and convinced Eve with smooth words questioning God's directions for their lives. This series has just begun so you will be able to join in easily.

THIS is my story, THIS is my song, PRAISING MY SAVIOR ALL THE DAY LONG.

LOST in His love.

These lines from an old hymn grabbed my attention and have kind'a haunted me for 24 hrs.

As I sat singing these yesterday morning, I felt convicted! I had to just stop singing and really think. I believe when we are singing in worship time we are speaking with our father, and I just wasn't sure I could honestly say these words.

Questions assaulted me! Is THIS really is my story? Is THIS my song? **Do I truly PRAISE HIM ALL DAY LONG?!** If I'm honest with myself, I'd have to admit I fall short. What does making HIM my story look like? What would my life look like if I truly PRAISED HIM ALL DAY LONG? Well, I guess I'm about to find out ☺. When the Holy Spirit speaks, and you listen and respond I believe you are in for a blessing! I desire my life to be about Him, but I admit I'm selfish, so many times I think about me. When people ask about me, my life, I can talk about my husband, children, and grands. I tell about my work and hobbies... but never start the conversation about my creator! My savior! My helper!! I'm sure this will be weird and disconcerting to some, but we are told that will be the case.

The other line, **LOST IN HIS LOVE!!! WOW!!!**

To truly be absorbed, hidden, adrift, disappeared in HIS LOVE!! To find yourself in a cocoon of his love!! Just let your imagination run wild a minute with that imagery!!! Having soft loving fibers wrap you up in safety, security, acceptance, and mercy!!! I desire that with ALL MY HEART!! So why do I deny myself this? Because I take my eye off the prize!! I allow the world to catch my attention, to dangle pretty, glittery distractions!! No more!! I want too much to live in the cocoon of my Savior's love!!

I know these things are not easy! I know I'm in a race, at war! But.... I'm not in this war on my own!! And neither are you!!!

ALL PRAISE AND GLORY TO OUR LORD JESUS CHRIST!!

Blessed assurance, Jesus is mine!
Oh, what a foretaste of glory divine!
Heir of salvation, purchase of God
Born of his Spirit, washed in His blood

This is my story, this is my song
Praising my Savior all the day long
This is my story, this is my song
Praising my Savior all the day long

Perfect submission, perfect delight
Visions of rapture now burst on my sight
Angels descending bring from above
Echoes of mercy, whispers of love

This is my story, this is my song
Praising my Savior all the day long
This is my story, this is my song
Praising my Savior all the day long
Praising my Savior all the day long
