Psalm 138: 8

The LORD will work out his plans for my life—

for your faithful love, O LORD,

### Prayer Requests and of Thanksgiving

Benny O , Warren Scholtz, Sunday Akpan, Dane Bengard and Prison Ministry, Evelyn Bell, Laura, Sherrie's friend , Kathy Henderson. Marilyn Muller, Susan Roberts, many of our brethren in African countries who are facing major drought . Many of the African countries are struggling with a lack of water. Pray continually for the rains. Pray that they recognize that God is their provider.

We need to be praying for guidance from God and for His will to be done. As Christians we are the ones who can speak peace and hope into the lives of those we come in contact with on a day to day basis; Lord, help us speak the LOVE OF Jesus in our conversations.

### Message from Blair Roberts

Just letting you know that while camping with Lori and family in Germany, Susan fell and broke her left hip. They operated the same day, but recovery is going very slow. Blair has reported that arrangements are made for Susan to be transferred to Weyburn by air accompanied by a nurse. She will do her recovery under the care of Dr Jared Oberkirsch. God truly provides.

**Marilyn Muller** of Dauphin congregation is also asking for prayers . She was scheduled May 14. for hip surgery , as well. She did not have to have complete replacement but constructive surgery. Tests are being followed up to try to understand why the previous surgery has failed. Prayers for continued care are still needed

**Dane's brother, Brett**, is struggling with health issues and so cannot be as actively involved in the Prison Ministry. Pray for all who are involved in this work

**We have been blessed with rain this week.** What a treasure! Sometimes doing without reminds us of what we are blessed with normally and it reminds us again of the provisions God gives to us on a day to day basis.

**Remember to pray for those who are fighting fires** in the northern parts of the provinces. It is a dangerous work and extremely hard on their health. Be with those who are evacuated , as well.

Some Days Are Just Difficult.

in Jeremiah, God reproached the Israelites for “caving in” to their base fears. Weary and wayward they were finding trusting God tough and so were contemplating going back to the perceived safety in Egypt. It seemed to make more sense. Listen to God . “If you are determined to go back to Egypt and live there”, God warns, “the very war and famine you fear will catch up with you, and you will die there.” Jeremiah 42: 15-16

God again reminds them that He is their God and will provide for them. “Stay here in this land. If you do, I will build you up and not tear you down, I will plant you and not uproot you.” Jeremiah 42: 10

In our humanness we often fear what is ahead and so turn back to what we know even tho’ we know it was not good. Trusting in God’s promises is the sure way to be successful in our journey “home.”

Lord, show us how to surrender. Help us through the tough days, sometimes long weeks or months. Lord, help us to serve you, Help us to carry our cross with peace knowing that You went before us to show us the way. Amen

*Trust in the Lord*  
*with all your heart*  
*Proverbs 3:5*
