Salmon Arm Church of Christ — Reaching the World for Jesus, One Person at a Time

WELCOME ALL

We pray that you will be encouraged as we share our worship to God together. God bless you.

Romans 12:2

² Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.

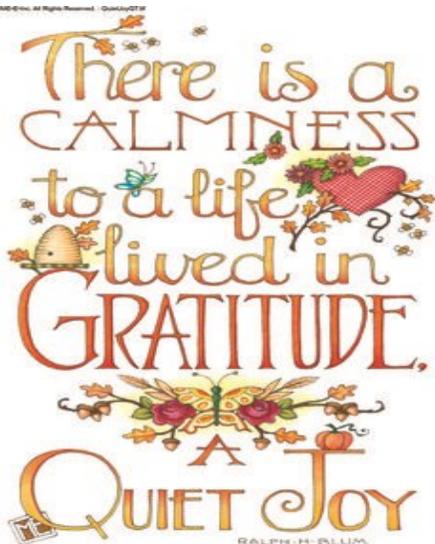

Prayer Requests

Marg Elliott, Shawn Greek, Don Krebs, Marg Pinyon, the Murrays, Lyle Roberts, Benny and family, John Derksen, Warren Schultz, Sunday Akpan, Susan Ward., Greg Erickson

Special prayer is needed for all those who have been displaced by the terrible floods that have destroyed so many homes and businesses. Lord, as Christians, help us to be very aware of the needs of these folks and be prepared to give the "glass of water" etc. that they need. May we be Jesus' hands and feet in this great time of need.

Offering :

You will be given opportunity to donate at service or you can mail it to. 490—5th Ave. SW, Salmon Arm, BC, V1E 1V4

Don Krebs says that he is doing well. Further phone calls regarding the issues leading up to surgery were being done today.

Greg Erikson (shared by Shawn) Greg has shown some improvement in several areas but is still unable to eat properly. Still hopeful that he may be able to return to Salmon Arm hospital in the next while. It will be so much easier for the family to visit him. Still needs prayers for recovery.

Betty Johnston is pleased with her recovery. She is still encouraged to walk for exercise every day. (Is going to try doing stairs today).

Marg Pinyon. You can visit now. Sign in and get screened at South Main in Hillside Village. You must wear a mask in common areas.

Susan Ward was finally able to come home after 3 months in the hospital in Kelowna fighting infection, suffering a heart attack and needing amputation of her big toe. She is very thankful for our prayers and visits. Still not able to get around or drive for at least another 4 weeks.

Lyle Roberts has been staying in a hotel close to hospital in Abbotsford in order to receive dialysis as needed. Unable to come in from Chilliwack 3 times a week due to floods. He is grateful for the care he is receiving even tho' it is an inconvenience. Sends his love to all in Salmon Arm.

I have really enjoyed my time with family and church family. Two months seemed like a very long time to be away from home but it has rushed by very quickly. Love to you all, stay healthy. **Marie**

.Giving Thanks To Do or Not To Do.

...so it kind of looks like: the one thing we must pray to be great at is **thanksgiving** — because it's the one thing that makes God great in our lives.

And it kind of looks like: no matter what the headlines shout, the world only has two stories: bless God or curse God.

No matter what the world tries to sell, we all only get to choose from two shelves: Give God thanks or Give God the door.

No matter what we're facing, there are always only two roads: thanksgiving to God or dismissing of God.

And you know -- if you let something steal your thanksgiving, you let something steal your joy, and if you let something steal your joy, you let something steal your strength.

Let nothing steal your thanksgiving to God – so that in everything you can stand strong in God.

Bottom line: We will give thanks to God not because of how we feel, but because of who He is.

No disaster, no storm, no cancellation, no termination, no catastrophe will stop us from giving thanks.

Because we know:

No matter where we are, every thanksgiving always brings us home — because giving thanks always bringing you home to the heart of God.

God, in all His gracious tenderness, has shown me that gratefulness is a decision and not an emotion. He understood that my heart and mind and body were in a hard fight. He didn't demand that I dance across the battlefield as arrows whizzed by me. He knew the best I could do most days was stand my ground and that when I said, "**Thank You, God, that You are still good**" through gritted teeth with tears streaming down my face and dirt on my knees, it was an act of worship.

Gratitude is not always tidy. Sometimes it's raw and messy. It takes guts and courage. Sometimes it's holding a sword of truth and being at war; it's fighting the darkness with every bit of our hearts and souls. Still the fight is holy. And an act of worship.
