Salmon Arm Church of Christ — Reaching the World for Jesus, One Person at a Time

### John 14:27

<sup>27</sup> "Peace I leave with you; my peace I give to you; I do not give it to you as the world does. Do not let your hearts be distressed or lacking in courage.

### Prayer Requests

#### At Home :

Marg Elliott, Shawn Greek, Don Krebs, Marg Pinyon, the Murrays, Lyle Roberts, Benny and family, John Derksen, Warren Schultz, Sunday Akpan, Susan Ward

### Special Prayers:

Dear God, we lift up the tired, the weary and worn. Those who so desperately need to be refreshed and refueled. Lord, lead them by the still waters. Lie them down in green pastures. Unhurry them. Help them to rest in you. To stay within your arms and breathe you in. To drink in your word and sink into your presence. Help them to lay their achy bones at your feet, their tired mind in your hands. For where we lack, you are whole. And we are held when we lay it all down.

In our Savior, Jesus, we come to you, Amen.

### Prayers of Thanksgiving :

God be praised for our care! Let's not take his blessings for granted! Give God the glory for our every gift here and for our eternal home that is being prepared for us.

### WELCOME ALL

Masks are suggested in group gathering. Please be considerate of others. You will encourage others.

**Don Krebs** is getting instruction to do parietal dialysis at home. The pain he was suffering after the hernia surgery is much less, thankfully. Hopefully he will be getting surgery done the end of November. Continue to pray for recovery and healing.

**Shawn Greek** is anxious to see this process come to fruition. It is very hard to wait for both Shawn and Jo-Jo.

**John Derksen** is still on his own. Remember in your prayers.

**Marg Pinyon.** Sign in and get screened at South Main, wear a mask in common areas and only 2 adults, 1 child.

**Susan Ward** is still in the hospital fighting infection.

**J.C. and Lorraine Murray** are planning to journey home on the 17th of Oct. This week they celebrated their 59th wedding anniversary. Lorraine donned her wedding dress and had pictures taken, what a treasure to have!

**Betty Johnston** continues to have digestive issues that make it difficult to go away from home. Please remember her and check on her.

**Marg Elliott** has been given her meds for MS and is doing so much better. So grateful for medical science.

**James Honeyman and Anne** are back in Alberta. He has hired a manager for the business here. Says things are going well.

### Offering :

You will be given opportunity to donate at service or you can mail it to. 490—5th Ave. SW, Salmon Arm, BC, V1E 1V4

## Underground Church: A Work

We are the People of the Tree, we are a Forest of the Faithful, we are the ones rooted in Christ and we reach out and wrap our roots around the hurting to keep each other alive in the faith.

Beyond the shadows of our church doors, there is an underground web of connection, of texts and messages, of phone calls and coffees, of cards and dropped off meals and bowls of soups and prayer threads.

It's the underground church — the church that we are under the banner of the six other days of the week, the church that we are on the ground, in our own neighborhoods, the church that we are not just under the church roof, but also outside of the church, that makes the church strong, that loans strength to the weak, that strengthens the whole community of trees.

....

When we're a light in someone's dark, what they testify to seeing is God's glory.

When we touch someone with love, they experience the healing glory of God.

.....

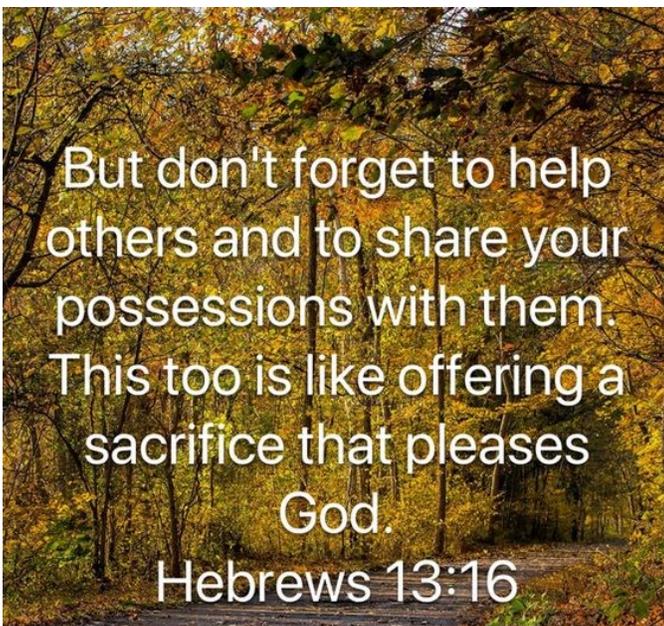

This is what I know:

You may not know the weight someone's carrying, but if you've at all known the weight of God's glory, you've got to relieve the weight of someone else's burden.
