John Derksen loves getting phone calls. He is living alone now.

Peggy Parmenter New medication and diet. Will be reviewed in 2 months.

Marg Pinyon. Update is that there can be no personal visits in the Hillside Village. The only way to see her is by window visits. Also you can let her know by mail that you are thinking of her and praying. Please be praying for the facility to be allowed to open up soon. She is getting the bulletin so is aware of us praying on her behalf. She has not contacted Covid, as of her last test.

There is power in persistent prayer. - Micah 7:7

## Praying for the Persecuted Church

As you intercede pray that:

\*Christians will stand firm in their faith. (1 Peter 5: 8 -10 )

\*They will not seek to retaliate but entrust themselves to the One who judges justly, striving to live in peace, with everyone. (Romans 12: 17 -21; 1 Peter 2: 23)

\*They will be able to rejoice even in suffering. 1 Peter 4: 12-13

\*They will have the power and grace to sincerely love and forgive those who persecute them. (Matt. 5:43-44; Luke 23:34; Colossians 3: 13).

\* The oppressors of God's people may experience repentance and salvation, just as Paul did. (Acts 9:1-19)

\*Christians in Canada would faithfully remember to pray for their Christian family worldwide who are in prison /or suffering for their faith in various other ways. (Hebrews 13:3)

The future of the church is not determined by the restrictions of the world and its systems. Regardless of persecution, Christ will establish His church in this world and the gates of hell cannot prevail against it. (Matthew 16: 18; ) So, while the nations rage, he will counteract their hatred through his follower's acts of love mercy so that every generation - representing every nation, tongue and tribe-will bear witness to the greatness of our King of glory.

**The question remains:** Will you willingly battle in prayer for those who are being persecuted, as well as those who rage and plot against the Lord and His Church?
