Blood of Christ

“A rattlesnake bit one of my sheep in the face about a week ago. Deadliest snake that lives around here. The sheep’s face swelled up and hurt her terribly.

But the old rattlesnake didn't know the kind of blood that flows through the sheep. Anti-venom is most often made from sheep's blood. The sheep swelled for about 2 days but the blood of the lamb destroyed the venom of the serpent.

I was worried but the sheep didn't care. She kept on eating, kept on drinking and kept on climbing because she knew she was protected by what she had flowing through her veins. Author unknown

The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly. John 10:10.
